# FREQUENTLY ASKED QUESTIONS

**Who is invited to Impact Summer Camp?** Anyone entering grade 7 or 8 (in the fall of 2019) is welcome to come. You do not have to attend Trinity Church. Feel free to invite a friend.

**What is the rooming situation at camp?** We will assign rooms based on gender. We will try to accommodate at least one roommate choice.

**Camp is too expensive for me and my family, but I really want to go. Do you offer scholarships?** We know money can be tight. However, we desire that every student be able to come to camp, so we offer need-based scholarships based on how much scholarship money comes in. All scholarship applicants must pay the deposit. Please contact Amy Bergethon for a scholarship application.

**We have more than one student in our family attending camp; is there a discount available?** We are able to offer families who have more than one student attending either Impact or Crosswalk Camp an \$80 discount for each student. Please use the multi-student price code in the pricing list and enroll each student individually. Only one discount code applicable per student.

**Can I help pay for a student who would not normally be able to go to camp due to the financial commitment?** Yes. Our ability to financially provide these scholarships in the future is dependent on contributions to our scholarship fund. Any amount of money, from partial to full scholarships, would be greatly appreciated and we pray you'll be blessed to know you have contributed to sending a student to a life-changing event. Please make your camp donation out to **Trinity Church** with **"Camp Registration" in the memo** and turn it in to **Amy Bergethon** or fill out the donation information in the online registration form. We regret to inform you that your donation is not tax-deductible, but please recognize the eternal rewards of this financial offering.

**How much money should I bring to camp?** If you wish to purchase souvenirs or snacks, there is a camp store available (we suggest bringing no more than \$25).

**Can I bring my cell phone?** We really would like to see you leave them at home; they can be such a distraction to your week at camp. However, we understand that they may be needed for use as a camera or to say good night to parents. IF the phone is brought, it needs to remain in your room (put away) or with your leader to use periodically to take pictures. If we see them during worship, seminars, meals, etc., they will be ours until the end of camp!

**Can I bring electronics (iPad, iPod, laptop)?** No. These items must be left at home. These devices prove to be the worst distraction while trying to stay focused on what God wants us to learn while we are at camp. These will be taken and returned to the student at the end of camp.

**I need to bring medication to camp. What should I do?** ALL medicine (in original containers) will need to be put in a plastic bag with student's name clearly marked. Written instructions as to dosage, when, etc. need to be inside bag as well. You will turn this in during check-in at Trinity before we depart for camp.

**What's up with the camp theme, To Be Continued?** CIY MIX invites you to dive into the life of Elijah and learn what it means to continue standing up for God in a world that denies Him, to continue pressing on when all seems lost and to continue the call from God that has been given to each of His children since the dawn of time.
